When You Need Cabinets, You Need Rugby!

Count on Rugby to deliver precisely engineered cabinets with your choice of traditional or contemporary door styles along with an extensive assortment of Rev-A-Shelf accessories. All our products are engineered from high quality materials and backed by comprehensive product warranties.

- Over 1000 different cabinet accessory options
- Both contemporary and traditional door styles
- Comprehensive Rev-A-Shelf hardware program

You provide the space, and we'll provide all the cabinet and accessory solutions you need to get the job done right.

**NATIONWIDE,
FAMILY-OWNED**
MADE IN THE USA

There's solid wood durability built into every KK cabinet. From the hardwood doors and stiles to the solid wood elements, each cabinet is built to last.

Note these quality features:

- All frames are built of solid 3/4" hardwoods. Each rail is kiln-dried, joined by mortise and tenon, and then glued for added strength
- Solid wood toe kicks, 3/4" thick
- Solid wood hanging strips on wall and base cabinets, located at the top and bottom
- End panels consist of 3-ply construction, 1/2" thick engineered wood core with hardwood veneers

All painted and stained cabinets are protected with a durable topcoat. The result is a surface that is virtually "family-proof," resisting many household chemicals, water, alcoholic beverages, mild acids, and even nail polish.

The result is more than just a kitchen you can cook in— it's a kitchen you can live in at a price you can live with.

SHINNOKI®

prefinished wood panels

Shinnoki offers prefinished wood veneered panels for architects and cabinet makers to design and create stylish and distinctive interiors. Unlike regular veneered panels, Shinnoki products are ready-to-use and as easy to work with as a melamine board, huge time and cost-saving but with the same unique look and feel that is typical for real wood veneer.

- Prefinished wood panels – 10% sheen matte finish
- Mix match technique to give natural appearance of solid wood
- Unique Designs created by a team of top European Designers
- Protective peel coat to protect finish
- 19mm 48.8" x 109.8" NAF MDF – 2 sided
- Prefinished 0.6mm edgeband and 1mm ABS edgeband available
